

Price Dropped Info

2024-01-12 - Patrick - LEARN

Have you found the product you want, but it's still a little too expensive for you at the moment and you're happy to wait a little longer? In this case, simply add your name to the "Price Dropped" list and we will inform you fully automatically as soon as the price of the product you are looking at drops.

ATTENTION: Unfortunately, it's not just downwards, it may also be that products are not reduced or even become more expensive over time.

The screenshot shows the ELCONTO website interface. At the top, the ELCONTO logo and navigation links are visible. Below the search bar, the product page for the TEAC TN-3B-SE Belt Drive Turntable, White, is displayed. The product image is on the left, and the product details are on the right. A yellow arrow points to the 'Tell me if the price drops' button, which is located below the product price. The price is currently 399,00 €, and the original price (SRP) is 399,00 €. The product is currently sold out. The page also shows a 4.82 star rating and 1,209 reviews.
